Mike and Cynthia,
I clarified our needs in the redline of the AOC which I sent CFAC last week. -Mark

Welcome Back Cynthia,

I did at the public meeting last week. We will probably need to follow up on our next negotiation round to make sure they agree.

Yes! That was it! I'll follow up as I can on the documents we need to submit.

Mike, thanks for following up with the library. Did you let DFAC know that they will need a hard copy as well as electronic?

And thanks for the mental jump start!

Cynthia,
I suspect that your note pertains to checking with the library regarding whether they prefer to receive hard or e-copies for the repository. Mike checked last week during your absence and they expressed a preference to receive both paper and e-versions.
Thanks, Mark

Hi, All.

All the intense work in Durango last week has sort of wiped my brain clean. I have a note on my to-do list dated 8/8 to "send documents to Columbia Falls." Do you have any idea what documents my note might be referencing and to whom I should send them? I apologize, but I have no clue!

Thanks!
Cynthia
